VOLUME NUMBER 80. CAMERON, MILAM COUNTY, TEXAS, THURSDAY, SEPTEMBER 19, 1940. TEN PAGES TODAY NUMBER 13

FOOTBALL SPECIAL TO MCGREGOR

New Chevrolet Here Saturday Sept. 21st

R. G. Grabein of the Grabein Chevrolet Co., stated in an interview today that his Dealership would display the new 1941 Chevrolet to the people of Cameron and territory on Saturday, September 21st.

According to Mr. Gabein the new model will represent one of the most improved yearly models offered by Chevrolet for the past several years. The 1941 car will be larger, roomier and will contain a marked increase in performance qualities.

Mr. Grabein stated that in his opinion the 1941 model would offer a great deal more buyer appeal than its 1940 model predecessor which has been selected by automobile buyers as America's Nnumber One Car for the 9th out of the past 10 years and by one of the widest margins in the history of Chevrolet Motor Division. This story of leadership is unique in that it currently includes every state and the district of Columbia in the United States.

In these times of major concern over preparedness, manfacturing and production problems, etc., it is refreshing to review the records of a company such as Chevrolet Motor Division who is organized, tooled up and has the proper manpower to produce over a million pieces of machinery as complicated as an automobile in less than twelve months as of the period ending Aug. 15th.

Mr. Grabein expressed the appreciation to all his friends and customers for the support given his company during the past year and issued a cordial invitation to all to visit his showroom on Saturday, September 21st to see the crowning achievement of 29 years experience and millions of previous models in the new 1941 Chevrolet.

HUNDREDS DELEGATES COMING TO CAMERON

By MRS. CLAUDE TRIGGS

The Texas Conference of the Womans Society of Christian Service will be held in Cameron at the Methodist Church, September 30th through October 1st

This is a very important meeting, being the first session since the reorganization of the Society following the unification of the four branches of the Methodist Church.

There are ten Districts in the Texas Conference: Galveston, Houston, Beaumont, Nacogdoches, Tyler, Texarkana, Huntsville, Marshall, Jacksonville and Marlin. More than two hundred delegates and guests are expected

The story of Womans Work in the Church is but a part of that fabric into the warp and woof of which has been woven the very blood and sinew, as well as the fine spirit of the people who are called Methodists.

Until the year 1878 there had been no organized Womans Work in the

(Turn to page 10)

SPECIAL TRAIN FOR GAME AT McGREGOR

Special train over the Santa Fe rails will be run to McGregor on Friday night, September 20th, for the game between the McGregor team and the Yoemen. The special train was announced here early Monday morning by W. DuBois, Santa Fe agent, and J. R. Hays of the Athletic Council.

Tickets will be on sale in the business district and at the school Tuesday morning. Tickets will sell for 85c for the round trip.

Tickets for the game, according to Mr. Hays, will be on sale in Cameron Tuesday and will also be available aboard the train for the patrons of the game.

Adult admission tickets to the game will sell for 40c; student tickets, 25c; and the pep squad will pay 15c The band will be admitted free to the McGregor stadium. The band will ride the special train also.

MRS. CAROL WOOD SELLING HOSPITAL INSURANCE

Mrs. Carol Wood has been selected to represent the Texas Group Hospital Movement.

Many inquiries have been made regarding this insurance now available for the first time under an act of the Legislature and the Daily Herald learned yesterday that Mrs. Wood is selling this insurance.

The insurance, individual or group, is sold on the basis of very low premium rates and guarantees hospitalization to all who carry the policy and Mrs. Wood will be glad to explain these contracts to you.

FORMER RESIDENT OF CAMERON DIES

Virgie Lee Krause, 16, died Sunday morning at 3:30 o'clock in an ambulance en route to a Sherman hospital.

Miss Grause had been ill for several days last week, but was thought to be recuperating. Saturday night she accompanied her parents to Denison, their home town, and was feeling well. She became suddenly ill during the night. An ambulance was called and while en route to a hospital in Sherman she died.

Miss Kause was the daughter of Mr. and Mrs. Bob Krause, former residents of Cameron and at one time owner of the Busy Bee Cafe here.

On April 15, 1924 she was born in Burlington where the family lived for a number of years. After moving from Cameron they lived in Mineral Wells and several months ago moved to Denison. Virgie attended school at St.Xavier's Academy in Denison where she was classified as a junior.

She is survived by her parents, Mr. and Mrs. Bob Krause, two sisters, Joyce and Jo Ann, and two Brothers, William and Harold.

Funeral services were held Monday morning in Burlington at the St. Michael's Catholic Church in Burlington with Rev. T. F. O' Sullivan saying the Mass. A group of Virgie's girl friends sang during the service. Burial was made in the Burlington cemetery.

Large Family Is Destitute After Fire; Appeal Is Made

The Henry Dodd family of Ben Arnold were destitute today and everything they owned is a heap of ashes near Ben Arnold because their home was destroyed by fire Monday night. Furniture, clothing, beds and bedding, all foods in the home, kitchen utensils, etc., were totally destroyed.

The Daily Herald is making this plea in behalf of the family and because we know that the generous people of Cameron will express their sympathy in a substantial way.

Anyone who can spare any household article such as those destroyed in the fire or cash are earnestly requested to leave same with Mildred Thornton at the law offices of M. C. Cox or with Mr. and Mrs. Dodd, one mile east of Ben Arnold.

ENTERS TSCW

Miss Dorothy Jean Lewis of Buckholts, daughter of Mr. and Mrs. J. D. Lewis has enrolled for a second year in Texas State College for Women in Denton. She is classified as a sophmore. In 1939 she graduated from the Yoe High School.

DOSS HARDIN RESIGNS FROM STATE SENATE

Doss Hardin of Prairie Hill in Limestone county, has resigned as State Senator, effective at once. Hardin sent his resignation to Gov. W. Lee O'Daniel Wednesday.

He was defeated by Kyle Vick of Waco in the July Primary by approvimately 1300 votes in the District.

Where vacancies occur in Legislative membership the Governor calls an election. In view of the fact that the November election is near to hand and the fact that Mr. Vick has already pledged himself to co-operate with Gov. O'Doniel and the further fact that no Legislative session is contemplated, it is believed that the Governor would not under the circumstances be inclined to call an election.

A Senator could be elected only for the enexpired term in any special election and in that case would serve only about 60 days without pay. A special election would cost approximately $5,000 or more.

Mr. Vick will be elected in November as the nominee of the Democratic party and so far as known the Republicans have not nominated a Senatorial candidate from this district.

SCHOOL AREA GETS FIRST CONSIDERATION

The first unit of construction on Cameron's $200,000 paving program, pledged the people by Mayor Charles C. Smith, was under way as 45 workmen began early Tuesday.

The pavement will start at the intersection of the school property and the George A. Thomas home on East 23rd street running West to the Bob Terry grocery then turning South down to Fannin Street to interesect the pavement of the W. A. L. Robinson station. The pavement will then be extended East and North to completely surround the school property.

August Horstmann of the street department said the pavement will be constructed of Uvalde rock asphalt, laid hot. The streets will be windened and all will have a uniform crub line.

Property owners who desire pavement along side their property should get in touch with the city government at once as the cost is too small to quibble over and streets signing up first will be given preference, it is believed.

Double Fire at Ben Arnold Tuesday Night Takes Big Toll

Two fires, both resulting in total destruction, occurred Monday night in the city of Ben Arnold and near the suburbs.

Cameron firemen were called at 2 a. m. Tuesday to the Lee Baker service station which was totally destroyed. Origin of the fire is unknown. The station had been recently stocked with new merchandise and it is thought to be partially covered by insurance.

Near the city the family home of Henry E. Dodd burned around 11:30 p. m. The family barely escaped with their lives and lost everything in the way of household furnishings and clothing.

The Dodd family were clothed by generous citizens of Ben Arnold as they faced the prospect of beginning all over again.

The cause of the fire is unknown and no insurance was carried on the house or its contents. In all twelve people were sleeping in the home when the roof began falling from the flames.

BEN ARNOLD SCHOOL OPENS

The Ben Arnold School will open Monday September 23, at 8:45 a. m Following a short program pupils will register, after which they will be dismissed for the day. Members of the faculty include Mr. and Mrs. C. T. Bridgewater, Mrs. Tom Evard and Mrs. Alvin Houston. School will be held in the Yardley home.

FIRST CONSTRUCTION STARTS HERE MONDAY

Cameron's city wide paving program will get under way Monday when the city begins the first unit of construction.

Mayor Charles C. Smith who announced a program of development in Cameron early this spring announced here Friday morning that on Monday, September 16th, work will begin on North Fannin street, running from the Court House square to the Terry grocery.

The unit of constuction also includes all streets abutting the property of the school system.

The total cost of this initial street paving program will be approximately $25,000. Material to be used is asphalt.

All streets paved will have uniform engineering with cement curbs, thus beautifying the roadways in Cameron.

Works Progress Administration labor will be used and Mayor Smith and his government will employ 45 men to begin this project.

A grant of government money together with the business-like manner in which Mayor Smith has handled the finances of the city, will enable the taxpayers to realize the vast program of street improvement without an increase in tax rate.

Eventually all principal thoroughfares in the city will be paved.

MRS. LILLIE ETHRIDGE 67, DIES HERE FRIDAY

Mrs. Lillie Ethridge, 67, died at 12 o'clock noon Friday at her home east of Cameron.

Although Mrs. Ethridge had been in declining health for a year or more, her death came as a shock to her family and many friends.

Mrs. Ethridge was born on December 10, 1872, near Cameron. She was the former Miss Lillie Lamkin.

Surviving Mrs. Ethridge are her husband, D. B. Ethridge; and three sons, Marvin, J. D. and Johnnie. One son, Raymond, preceded her in death two years ago.

Funeral services will be held Saturday afternoon at 3:30 o'clock at the Marlow Baptist Church with Rev. Lane Caldwell officiating.

Interment will be made in the Marlow cemetery with Green's Funeral Home directing arrangements.

PARENT TEACHERS TO MEET THURSDAY

The first meeting of the year of the Parent Taechers Association will be held at 3:45 p. m. Thursday at the Yoe High School.

Among other things to be considered will be the results of the summer campaign to contact children who need medical attention. Some fifty children were contacted in what is known as the summer roundup.

Officers of the association are as follows: Mrs. Wm. Hefley, president; Mrs. A. E. Kruse, Vice President; Mrs. Carl Black, Second Vice President; Mrs. Guy Chandler, recording Secretary; Mrs. W. A. L. Robinson, Corresponding Secretary; and Mrs. Joe Denson, Treasurer.

The Summer Roundup was directed by by Mrs. John Ryan, Mrs. Stanley Swift, Mrs. J. H. Angell, Mrs. B. L. Caperton and Mrs. John Henderson.

SANTA FE AGENT CLICK OF THE WEEK

W. DuBois, agent for the Santa Fe railroad is the click of the week.

For outstanding service to the community he wins the accolade.

It has to do with arranging a special train to carry football fans to McGregor.

The man who goes to McGregor in an automobile is a cluck because this train is the last word in comfort and safety so get your ticket now and be a click.

LEAVES CITY AT 6:10 P. M. OVER THE SANTA FE LINES

Yoemen Look Impressive In Win Over Calvert Friday Night; Face Real Test Against McGregor When Special Train Rolls Into Old Home of Coach

By THE DUMB REPORTER

Captain Cecil Tindall was dashing about in first rate Indian fashion with one scalp at his belt as the Yoemen resumed work on Monday following their decisive win over Calvert Friday night.

Coach Wood pulled a fast one on the entire district. While feigning a XXX brand of gloom he managed to get hold of a few peppy boys and indications are he has given Cameron a football team. All this may seem stange in view of the poor prospects but if present luck holds out the Yoemen may go much further than expected.

The biggest assignment of the year in non-conference competition comes Friday night when the Yoemen go to McGregor, old home of Coach Wood. In 1939 McGregor had the best class B team ever seen in Texas. Some of the men are returning.

The Yoemen are due for their first defeat this season but as the coach has already said there will be sixty minutes of real battle.

Here is a limited play by play report of the Yoemen-Calvert game:

FIRST QUARTER

Captain Tindall won the toss and elected to kick. Calvert received and on the second play fumbled. The Yoemen took over on the recovery. The Yoemen sparked by Hays drove 15 yards on two plays to score as the flashy quarterback skirted the Calvert end for the tally. Salach was wide with the attempted conversion. Yoemen kicked off to

(Turn to Page 10)

WHAT OTHER PAPERS SAY

Farm Program:

Paul C. Yates in Austin Tribune: A blitzkieg directed by the federal farm program has truck more than half of the agricultural counties of Texas, squeezing them in a relentless grip, choking their growth, laying upon them the paralysis of ruin, stagnation and decay.

The grim, implacable story of ruin wrought under the guidance of Secretary of Agriculture Wallace and his policy of scarcity is told by the impartial, nonpartisan census takers and reveled through census releases.

So sensational is the picture, however, that the Roosevelt administration has ordered a recheck of rural population and farm abandonment, which probably will delay the release of nation-wide totals until after the November election.

Let us look at the frightful picture presented on Texas farms by the census figures, or at a portion of that picture. Let us choose the fabulously fertile blackland region of Central Texas and the rich productive redland region of near East Texas, and see what has happened under the federal farm program and the AAA.

It is a repetition of Steinbeck's Grapes of Wrath.

Eighteen counties in Central and Near East Texas, all of them predominantly agricultural, have lost a total of 62,432 inhabitants between 1930 and 1940. This loss would be much larger in the rural areas, for as a rule the cities of 2,000 or more inhabitants showed a population gain.

The counties involved are Bell. Milam, Falls, Bastrop, Leon, Limestone, Navarro, Anderson, Grimes, Hood, Johnson, Hill, Robertson, Willimson Ellis, Burleson, Caldwell and Lee.

Navarro County showed a net loss of 9,247; Ellis, 6,715; Hill, 4,645; Bell, 5,084; Williamson, 2,464, and the rest in varying amounts.

What happened?

The Roosevelt administration has systematically liquidated the foreign market for American cotton, reducing it down to pre-Civil War levels. And through its policy of benefit payments it has forced the landlords to kick the tenants off the farms.

The tenant problem has been solved in the past seven years, in large measure—by taking share-croppers off the land and placing them on relief.

In one of the above mentioned counties, the figures reveal that in 1939 there were 5,350 farms, while in 1940 there were only 2,600 farms.

More than half the farmers in that county, in other words, were driven off the land, to join the hopeless caravan of migratory un-employed which a special House committee now is investigating on a nation-wide basis.

Lion Carnival Will Feature Pet Parade

Hundreds of young people will again parade their pets and decorated bicycles in two colorful days of carnival spirit for the annual Lions Club carnival given for the benefit of underprivileged children in Cameron and Milam County.

Dates for the show are October 18-19. The parades will highlight the benefit program. Prizes will be awarded first, second and third place winners in both parades. The Pet parade will open the Carnval on Friday evening October 18 at 7 p. m. The bicycle parade will be held on Saturday afternoon at 4 p. m. Every boy and girl in Cameron possessing a pet or a bicycle is invited to participate in this event.

Guy Haynes will head the Carnival. Under him will be a corps of vice presidents and committee chairman. Forty Lions will participate in the operation of the carnival and every committee will have a part to perform.

The place of the show will be the same stand where it was held last year between the Community Gas Company and the B. F. Stewart Grocery.

Last year the Lions realized $190 on their shows and this was done with the co-operation of Cameron business men who donated materials and publicity and cash.

Cameron Lions, in getting their program for the community under way, invite all merchants and townspeople to assist in this wothy project agin this year. Proceeds will go toward the purchase of eyeglasses for the needy, treatment for those who are unable to secure it, operations, diagnosis, etc.

REV. TRUSSELL DECLINES

Rev. Gerald Trussell, Baptist minister at Clifton, has declined a call to the pulpit of First Baptist Church in Cameron.

The church here two weeks ago extended a call to Rev. Trussell and it will now be necessary for the pulpit committee and the church to seek another pastor.

COTTON REPORT

A total of 5,129 bales of cotton were ginned in Milam County from the crop of 1940, prior to September 1st, according to Ray O'Neill special agent.

Prior to September 1, 1939, the county had ginned 14,598 bales. This figure may indicate a serious crop shortage for 1940.

Rotary Ann Night Program Featured by Lecture On West Indies and Panama

A trip to the West Indies and Panama through the medium of an illustrated lecture on his travels was the unusual treat of members of the Cameron Rotary club on Rotary Ann night and given by Earl Johnson, member of the club.

Mr. Johnson spent many years in Central America and in the Islands where civilization flourished a century or more before America was born.

Hundreds of pictures made by Mr. Johnson were flashed on a screen, many of them in technicolor to illustrate an amazing detailed story of a white man's journey to a country now inhabited only by sperstitous natives.

During his lecture Mr. Johnson displayed a drum sacred to the Voodoo dance. Mr. Johnson is one of few white men ever to witness this dance among the natives. The drum is several hundred years old and was brought from Dark Africa by a slave during the early stages of settlement of the West Indies and Panama.

The lecture of Mr. Johnson is one of the most interesting ever heard in this city and climaxed a night of unusual entertainment for Rotarians and their Rotary Anns.

Toastmaster Carol Wood began the activities by introduction of guests and Rotary Anns.

Billy Triggs, former Yoe High student, gave two splendid songs. Following this, Coach Wood called on guest E. A. Camp of Rockdale for a surprise talk. Judge Camp made a point of contrasting our peace and outdoor gatherings with the terror and hardships of London gatherings in air raid shelters.

Following the meal of barbecued chicken served by Mrs. Cato, Mrs. R. W. Hester gave a reading and chairs were re-arranged facing a projection screen where Mr. Johnson gave his lecture.

TYPHOID PREVENTION POSSIBLE SAYS REED

Milam County has several cases of typhoid fever.

According to Dr. Roy G. Reed, Director of the Milam County Health Unit, there seems to be little or no connection between any two of these cases which would mean the infection is widely disseminated through some food or that there are several carriers in the county.

Typhoid carriers are always a dangerous threat to a community. The carrier is one who has had the fever in past years and may be apparently well and healthy but harbors the germs. These germs are passed from the body and often infect another person through water, carried by flies, or through food handled by the carrier.

Those who have had typhoid fever and who live in a community where typhoid occurs, or whose family or close contacts are having the fever are earnestly requested by Dr. Reed to report to the Milam County Health Unit office in Cameron and take a laboratory examination. This examination will cost nothing and may prevent some one of your family, or a friend from having typhoid fever; may even prevent an epidemic of the disease.

In rural areas, many of the wells tested to date by the Milam County Health Unit have proven to be contaminated and unfit for drinking purposes. If you have an open, unprotected well, your drinking water may also be contaminated.

Request a bacteriological examination of your water if you are not sure of its purity.

Dr. Reed further urges that every one in the county be vaccinated against typhoid fever. The three injections, at weekly intervals, taken every two years is the best preventive there is, where safe water and sewrage treatment plants are not available. See your family physician today and make arrangements for you and your family's inoculations. Should your financial ability to pay be doubtful, see your physician anyway. Your family physician being your best friend and greatest health benefactor, will gladly arrange a way for your protection against this serious threat to your health.

NEW ORDER COMES TO DEMOCRATIC AMERICA

Authority to conscript American man power for war was given to President Roosevelt today when the United States Senate passed the national draft act in complete agreement with the House of Representatives and sent the measure to the White House.

The age limit in the bill is believed to be 18 to 35 as provided in the bill originally passed by the Senate. The House wanted to make the age limit 18 to 45.

Students already registered in college will be exempt for one year. Ministerial students are exempt as are ministers.

It is estimated that 30,000 men will be called from Texas in the first draft. Boards similar to the world war draft boards have already been named, but not announced, it was said yesterday in Austin.

President Roosevelt is expected to sign the measure Monday and thus begin America's first peace time conscription. It is the beginning of a military age in the United States under compulsory training such as systems now in use in Russia, Germany and Italy.

It was expected that the first men to be touched by the draft would be called in November or earlier.

Mr. and Mrs. T. B. Spell and Mrs. John Angell of Beaumont were visitors here Saturday.

YOEMEN WIN FROM CALVERT FRIDAY 32-0

With proper deductions for weak opposition the Yoemen played sensational football here Friday night to defeat Calvert 32 to 0 and win their first game of the season.

A fleet bunch of backs, led by Bobby Hays, ran all over the field. Superb line play featured by the punt blocking sensation, Byron Graham at end and the all around good play of Louis Aranda at end was responsible for the good showing of the backs.

Calvert's only scoring threat came in the third quarter when Hays fumbled deep in Cameron territory and Calvert recovered. Captain Cecil Tindall aside from a few costly fumbles, played a superb brand of football and led his team in the best showing any early season squad has made.

Red Bell, blocking back, was powerful on line plunges and backed up the Yoemen line with a great showing of football power.

Frank Torno a freshman, playing his first game, relieved Hays at quarterback in the third quarter and was something of a sensation.

The Yoemen scored a touchdown in the first three minutes of play afte Hays had made 25 yards around the Calvert left end and put the ball in scoring distance.

Robert Lee Salach at center, one of 3 letter men to return gave the line its best showing in years. J. P. Gooch was also a standout.

Mack Nicholson who played in the B team in 1939 was good at pass interception and run backs.

Miss Vashta Smith of Gay Hill visited in Cameron Monday.

S. C. Miles of Rockdale transacted business here Monday.

Mr. and Mrs. R. J. Woodum and Mrs. W. D. Bigbee visited W. D. Bigbee in Mineral Wells over the week end. On their return home Mr. Bigbee accompanied them as far as Fort Worth.

ANNOUNCEMENT TEA GIVEN

Mrs. C. N. Green and daughter, Miss Helen, were hostesses to an announcement tea Thursday evening from 5 until 7 o'clock in honor of the approaching marriage of Miss Carolyn Cheeves and Niley J. Smith on October 7th. During this time three hundred friends of Miss Cheeves' called. Mrs. Frank Cheeves met the guests at the door and in the receiving line were Mrs. C. N. Green, Mrs. S. W. Cheeves, Miss Helen Green, Miss Caroyln Cheeves, bride-to-be, and Mrs. A. J. Smith. Mrs. John Young, Henriem Hefley, Katherine Monroe and Mrs. Carrol Green served in the dining room, assisted by Mrs. W. J. Woods and Mrs. Leland Green, Sr. The guests were invited into the dining room by Mrs. R. H. McIntosh, Mrs. J. W. Kemp and Mrs. Frank Stewart. In view of Mr. Smith's profession, large cotton bowl surrounded by small ones placed on a mirror, centered the table which was covered with a lace cloth. The words, "Niley J. Smith and Carolyn Cheeves—October 7th" were written on the mirror. White astors and gladiolas also decorated the table. Large baskets and vases of gladiolas, astors and yellow chrysanthemums were placed about in the living and dining rooms. Lime sherbert punch, salted almonds, rolled asparagus sandwiches and open face cream cheese sandwiches were served.

Mrs. Egon Voglesang and Mrs. LeRoy Witt of Burlington visited here Sunday.

Miss Jean Taber, daughter of Mr. and Mrs. A. W. Taber of Austin, has been awarded the "Sally Carruth Farley scholarship of Albert Sidney Johnson chapter of UDC" for the long term in the University of Texas. Miss Jean's parents formerly lived in Cameron for many years where Mr. Taber was manager of the Cameron Mercantile Company for a number of years, leaving Cameron to take the superintendancy of the Men's Confederate Home in Austin, where he remained for seven years.

Mrs. Calvin Pressley and Mr. and Mrs. J. M. Motte of Taft were visitors here Saturday.

Joe, Mary and Cecilia Geiser and their mother, Mrs. Mary Geiser, all of Burlington visited in Cameron Sunday afternoon.

Miss Anna Margaret Lamb daughter of Mr. and Mrs. T. C. Lamb of Burlington and a graduate of Yoe High School will begin training for a nurse Tuesday in the King's Daughters Hospital in Temple.

Mr. and Mrs. Ralph Michalka visited Bill Michalka in Legion Sunday. Mr. Michalka recently underwent an operation at the Veteran's hospital in Legion.

R. T. Patterson and Dorothya Rentfro were visitors in Waco Monday night.

Mrs. Arthur Bowling of Gause was a business visitor here Monday. Charles McDonald and Narvel Barnes teachers at Briary were among business visitors here Morday.

Heads Association

THEO YARBROUGH

Mr. Yarbrough has been chosen by unanimous vote to be President of the Association of Grand Keeper of Records and Seal for the Knights of Pythias of the United States. His election occured at the Supreme Lodge in Cincinatti on August 13th. He is one of Texas best loved Pythians. Grand Chancellor Meek of Tyler has under consideration a state wide celebration to commemorate the honor bestowed.

Milam Lodge No. 125 with a membership of 269 men according to J. M. McLean, Keeper of Records and Seal had its share in Yarbrough's selection because the local lodge gained national attention for its record and rapid growth. The cardinal principles of Pythianism are Friendship, Charity and Benevolence. In the words of Abou Ben Adhem: "May their tribe increase."

OBSERVES BIRTHDAY

Mrs. W. A. Allday surprised her husband, W. A. Allday, pharmacist at the New Cameron Drug Store, with a birthday party on Monday night. She served the guests, barbecued chicken, potato salad, Coca-Cola and cherry tarts. Following the dinner the group played forty-two. C. N. Payne was the winner for high and W. H. Stafford won low. The following friends of Mr. Allday were present: Mr. and Mrs. Fred Blake, Mr. and Mrs. Leland Green, Sr., Mr. and Mrs. C. N. Payne, Mr. and Mrs. W. H. Stafford, Mr. and Mrs. Joe Denson, Misses Leila Woolley, Minnie and Pricilla Stedman, Mr. and Mrs. Roy Boskin and Miss Alice McGehee.

Mrs. Grady Stidham and daughter, Myrtle and Mrs. J. A. Walschak and daughter, Beatrice made a business trip to Austin Wednesday.

Sam Tyson will leave for Georgetown this week where he will attend Southwestern University this year.

J. W. Jordan has been visiting in Brownstown, Illinios.

Mrs. W. J. Manly of Fort Worth is visiting in the home of her sister, Mrs. Tom Evard.

INVASION SOON TO BEGIN BRITISH BELIEVE

The British air force today fought off more Nazi raiders who were attempting to destroy the capital and retaliated with raids on continental supply bases in France, claiming great damage done to prepartion made by Hitler for the coming invasion of England.

British reports say that bombs have damaged the Palace of Buckingham extensively and have caused slight damage to Westminister Abbey and to the Parliament building. Adolph Hitler also made the statement to the British people that they are "being led into war by Churchill and his cabinet of criminals and that if it were not for the government that the people would be ready for surrender." However the British claim that they would go on fighting if they had no government at all.

Statements issued from Berlin say that the city has had its second night without an air raid alarm as British are concentrating their bombing on the coast of France in their attempt to slow down invasion.

It is also reported that a time bomb exploded near the Chancellory in Berlin but without damage. It was detected before explosion and covered with hay.

A British ship the "Empress of Asia" was hit by a bomb from a Japanese warplane today off the coast of Japan. The Japanese aviator said that he had mistook the ship for a target. Damage to the ship was not extensive.

The draft bill now lacks only the signature of the president to make it a law. Both the house and the senate have finally agreed on the bill.

CHRISTIAN SCIENCE SERVICES

"Matter" is the subject of the Lesson-Sermon which will be read in all Churches of Christ, Scientist, on Sunday, September 22.

The Golden Text is: "Little children, keep yourselves from idols" (I John 5:21.)

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "And it shall come to pass in the last days, that the mountain of the Lord's house shall be established in the toy of the mountains, and shall be exalted above the hills; and all nations shall flow unto it . . . And the idols he shall utterly abolish" (Isaiah 2:2, 18.)

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "Divine Science deals its chief blow at the supposed material foundations of life and intelligence. It dooms idolatry. A belief in other gods, other creators, and other creations must go down before Christian Science" (page 535.)

FEAR OF INVASION IS BRITISH PROBLEM

Winston Churchill again warned the British people that "this is going to be the most crucial week of the war" as London had its fourth air raid alarm for the day.

With the intensity of the raids over London becoming greater by the week, the statement has some meaning but carries no assurance that RAF has seen its worst days.

Reports from London say that 156 German planes have been shot down in the last 24 hours as compared with over 180 for the day preceeding.

In order to make a denial of such figures the Germans have sacrificed some of the grandeur of their statements about the great numbers of bombers sent to England and have stated that less planes were sent than the English claim they have destroyed. Taken together the report leaves no doubt as to the intensity of the battles.

From the British viewpoint the possibility of invasion seems to be the most important German threat and planes are being reserved for such event.

Substantiating this statement are reports that long range cannon are bombarding southeastern England from the coast of France near Calais. Possibly it is to cover up English custom production.

President Roosevelt signed the draft bill shortly after noon today impanelling sixteen and a half million men for training service.

The Army and Navy draft board will require about sixty days to complete the first draft with actual training of the first contingent beginning by the middle of November.

Rev. J. P. Love will leave Monday, September 16, for Camp Allen near Goose Creek where he will attend the Clergy Conference. Bishop Quinn will be presiding officer at the meet. Rev. Love will return to Cameron Thursday.

Charles Kreig visited his parents in Thrall Sunday.

Mr. and Mrs. Frank Wall of Hanover transacted business here Saturday.

David Wade who was drum major in the Yoe High School band for three years will not attend school here this year. He will be a student of the Waco high school where he will be classified as a senior. David lived in Waco during the summer months with a sister and will make his home with her permanently.

Miss Reba Young left the city Friday for Houston where she will again teach school in Peacn Park.

Mr. and Mrs. Harleigh McGregor and sons returned to Illinios on Tuesday after a visit with his mother, Mrs. C. P. McGregor.

OBITUARY

The entire community of Burling was shocked and grieved when word was received Sunday, September 15, at 6 a. m. of the death of Miss Virgie Lee Krause of Denison.

Virgie had been under the care of a physician for several days but her death came suddenly and unexpectedly. She was 16 years old on July 10th, born and reared in Burlington, having recently moved with her parents to Denison.

Funeral services were conducted from St. Michael's Church in Burlington, on Monday morning at 10 o'clock by Rev. Father T. F. O'Sullivan. Burial was made in St. Michael's cemetery with Nicholson Funeral home of Rosebud in charge of arrangements. Pall bearers were cousins of the deceased: Bernard and Vernon Klypas, Robt., Ed., Lee and Kirby Kraouse and H. A. Fortner, Jr.

She is survived by her parents, Mr. and Mrs. Bob Krause, two brothers, Billy and Harold, and two sisters, Jo Ann and Joy, her grand parents, Mr. and Mrs. Wm. Krause and a number of aunts and uncles.

To know Virgie was to love her, and her friends were nnmbered by those who knew her. The beautiful floral offerings and the large number of friends and relatives who were present to show her this last respect, speak of the high esteem in which she was held.

Truly we can say "Our Loss is Heaven's Gain.." At a tribute to her sorrowing parents, the following re-print of Edgar A. Guest's poem "To All Parents" is sumbitted:

I'll lend you for a little time,
A child of "Mine," He said,
For you to love the while, she lives
And mourn for when she's dead.
It may be six or seven years
Or twenty-two or three
But will you 'till I call her back,
Take care of her for Me?
She'll bring her charms,
To gladden you,
And shall her stay be brief
You'll have her lovely memories
As solace for your grief
I cannot promise she will stay
Since all from Earth return
But there are lessons taught
Down there I want this child to learn.
I've looked this whole world
Over in my search for teachers true
And from the throng that crowd life's lane,
I have selected you.
Now will you give her all your love
Nor think the labor vain
Nor hate Me when I come to call
To take her back again?
I fancied that I heard them say
Dear Lord, Thy will be done
For all the joy thy child shall bring,
The risk of grief, we'll run.
We'll shelter her with tenderness
We'll love her while we may,
And for the happiness we've known
Forever grateful stay.
But shall the angels call for her,
Much sooner than we've planned,
We'll brave the bitter grief that comes.
And try to understand.

Dr. Shipman will be at the Milam Hotel on Tuesday, October 1st. Free examination to one member of each family. 5tp

WITH WHATLEY GROCERY

John Lee Smith Is Vice Chancellor of National Pythians

John Lee Smith of Throckmorton recently elected State Senator from his District, was chosen Supreme Vice Chancellor of the United States, on the first ballot at the Supreme Lodge, Knights of Pythias at Cincinnati, Ohio, on August 13th.

Mr. Smith defeated Judge Willard Kent, Shief Justice of the New York Supreme Court. The New England States joined the Dominion of Canada and the South in making his election possible. He is widely known as a fraternalist, and in 1936 assisted in initiating President Roosevelt in to the Pythian Order. He served in the World War, and after his return, was chosen County Judge of Throckmorton County. Mr. Smith is known and loved by all Knights of Pythias of Texas, and Grand Chancellor Meek of Tyler, has under consideration the holding of state-wide celebration of this honor so worthily bestowed.

102 POUND SEA BASS

A sea bass weighing 102 pounds was on display Tuesday at Whatley's Grocery.

The bass was caught by W. T. Whatley and Dr. E. R. Zellner at Port Aransas.

The head of the fish may now be seen at the store, but most of the meat has been sold.

COACH MAKES PLEA FOR SUPPORT FOR TEAM

"Boost your school, boost your band, boost your ball club and give everything about our school system your finest help and support," said Carol Wood in an address at the Lions club luncheon at its meeting this week. In one of the most optimistic, spirited, and inspirational addresses of its kind Cameron's Athletic coach stirred his hearers deeply. He appealed for an impartial support for every department of school life from the lad on the football squad, the student in various activities and the Superintendent and teachers to the School Board.

The speaker outlined briefly his career in Cameron as a football coach and anaylzed his experience with the various teams through the years. He told Lions he had every reason to believe that his boys would have a successful season and expressed pride in the willingness of the material on hand this year.

Coach Wood was very high in his praise of the boys who have come under his care. "It doesn't matter to me whether they be Catholic or Protestant, American or Mexican rich or poor, I am glad to do the best I can for these boys who are given to me to coach. It has always been my policy to be impartial in my dealing with boys, I want you to fellowship with these boys this year. Take a personal interest in them. Cultivate them and they will do their best for you."

FOR RENT—Nice home on 13th street. All modern conveniences. See C. P. Wilkerson, Cameron.

Miss Corine Echols, assistant district supervisor of WPA sewing rooms, was a business visitor here Friday.

Mrs. Walter Marek and daughter Mrs. Gerald Foshea and daughter, Jery Ann, visited in Cameron Saturday. They are residents of Burlington.

"Build-Up" Important Protector of Women

A weak, undernourished condition often enables *functional dysmenorrhea* to get a foothold; thus leads to much of woman's suffering from headaches, nervousness, and other periodic discomfort.

CARDUI'S principal help for such distress comes from the way it usually stimulates appetite; increases flow of gastric juice; thus aids digestion; helps build energy, strength, physical resistance to periodic pain for many.

Another way, many women find help for periodic distress: Take CARDUI a few days before and during "the time." Women have used CARDUI for more than 50 years!

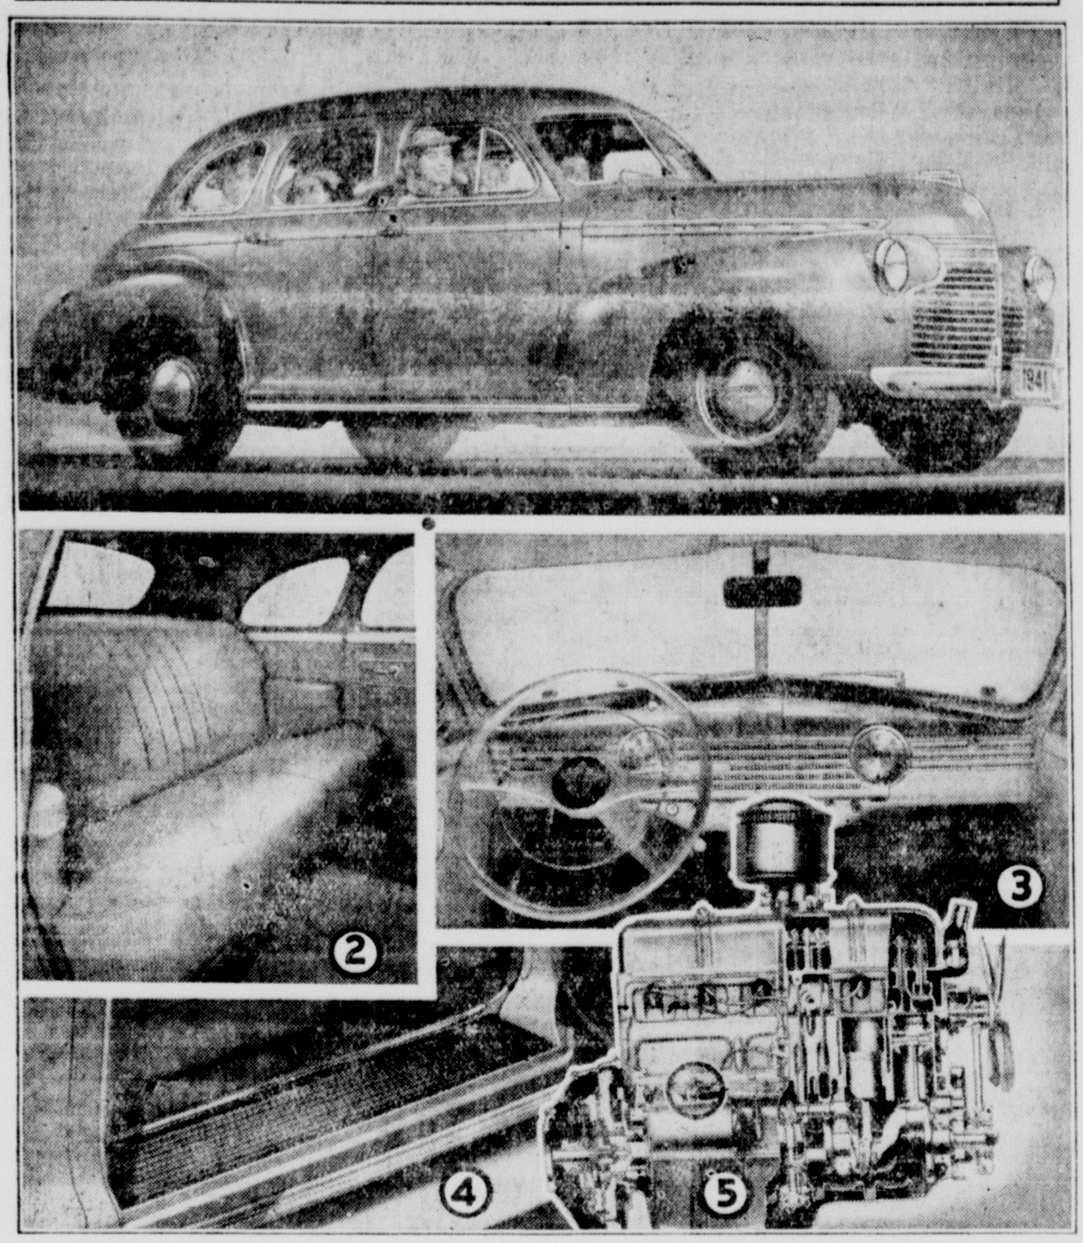
Beauty Reaches All-Time High in New '41 Chevrolet



Completely new styling joins with numerous mechanical improvements to make the new 1941 Chevrolet, now on display at all dealers', a worthy successor to the cars which have earned first place in public favor year after year. The greater size and roominess of the new models, as well as their sleek new beauty, are apparent in the Special De Luxe Sport Sedan, shown above.

At (2) is shown the spacious interior of the same model's rear compartment, and at (3) is its front compartment, showing two-spoke steering wheel with horn-blowing ring, new sliding-type sun visors, and smartly re-styled dash.

One of the major changes is substitution of concealed safety-steps (4) for the running boards of other years, an improvement adding to the car's beauty without sacrifice of the safety and convenience which running boards provide. At (5) is the six-cylinder Chevrolet valve-in-head engine for 1941, in which many refinements have been made. Horsepower is increased from 85 to 90 without affecting economy; and cooling, lubrication and carburetion are all improved. In circle is the new switch which reverses the ignition current polarity each time the starter is operated, indefinitely prolonging the life of distributor points.

Mr. and Mrs. Henry Brown and children Evelyn and Henry Ray visited relatives in Houston over the week end. They were accompanied by Will Crain. Mrs. Brown's cousin Mrs. C. B. Salley of Houston returned with them for a week's visit with relatives.

W. R. Hoover of Mercedes visited in Cameron Tuesday and Wednesday en route to Houston with his son, Hal who will attend the Rice Institute this fall.

Jeff Wiggins of Little River paid a visit to Cameron Wednesday.

Garcia Will Report to Coach Wood Monday

On the eve of the first football game of the season the Daily Herald learned that Ascension Garcia, the tall youth who looked so good as a pass thrower on the B squad of 1939, will enter high school on Monday and report to Coach Wood.

Garcia is a bright prospect and is badly needed in the back field and the entire city will be gratified to know that he may become a regular member of the team for the season.

Cameron has not had a good passer since Joe McLean passed from the picture.

The return of Garcia is the most heartening news of the year for football.

REGULATIONS SAY CADET WHO FLIES FOR UNCLE SAM MUST REMAIN UNMARRIED

One of the qualifications for enlistment in the Army as a flying cadet, according to Sergeant Curtis W. Brasington, the United States Army recruiting representative at Cameron, is that the applicant be unmarried.

Not only must he be unmarried, but he must agree to remain unmarried during his period of training as a flying cadet, a period lasting just seven months.

Besides bachelorhood, other qualifications for enlistment as a flying cadet are not too rigid.

Not only does the Army take care of the flying cadet during his months of training, and pay him $75 per month in addition, said Sergeant Brasington, but it assures him a job for at least three years after graduation.

In a wire to his parents on Monday night Bob Nabours stated that he was in New York City and would leave shortly for Montreal, Canada, to begin service in the Canadian army. He left Cameron September 5th.

Mrs. Artie Schiller of South Elm visited in Cameron Wednesday.

Robert Sloan Ryan, son of Mrs. John Ryan and a former student of Baylor University, has received a communication from Randolph Field in San Antonio that he is to take a physical examination on September 26th. If he passes he will enlist for flying at Randolph Field.

George H. Peeps of Maysfield was a visitor in Cameron Wednesday.

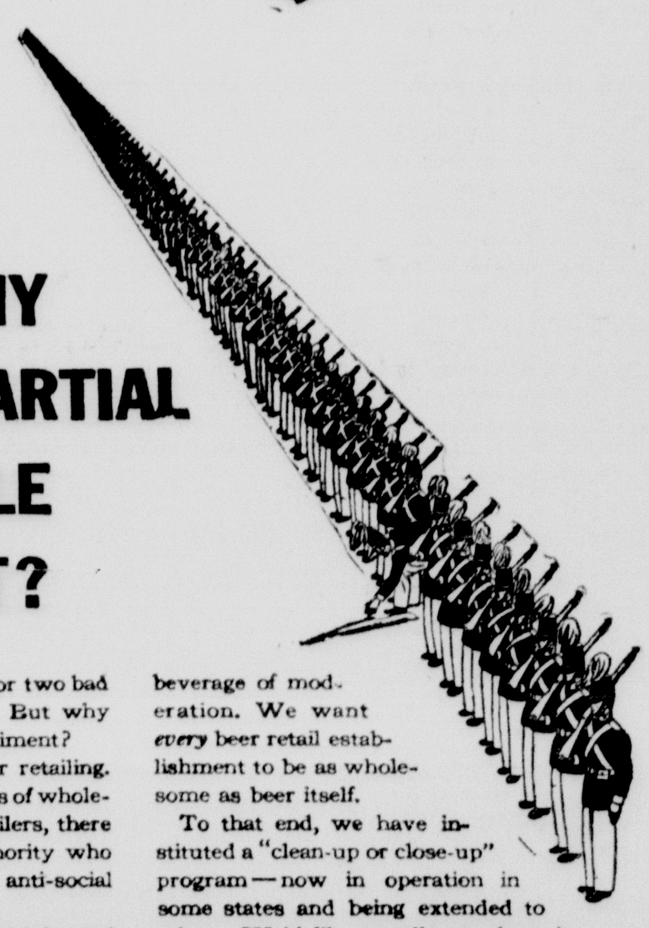
THE RECORD.... *Facts That Concern You* — No. 22 of a series

...BUT WHY COURT-MARTIAL THE WHOLE REGIMENT?



There are bound to be one or two bad soldiers in every regiment. But why court-martial the whole regiment?

The same applies to beer retailing. Out of hundreds of thousands of wholesome, law-abiding beer retailers, there is bound to be a small minority who disobey the law or permit anti-social conditions.

To protect your right to drink good beer, the Brewing Industry wants even this small minority of undesirable retailers eliminated entirely. Beer is a refreshing, appetizing beverage — the beverage of moderation. We want *every* beer retail establishment to be as wholesome as beer itself.

To that end, we have instituted a "clean-up or close-up" program — now in operation in some states and being extended to others. We'd like to tell you about it in an interesting *free* booklet.

Write: — United Brewers Industrial Foundation, 19 East 40th Street, New York, N. Y.

BEER...a beverage of moderation

UNITED BREWERS INDUSTRIAL FOUNDATION

NEWS FROM BUCKHOLTS

Mr. and Mrs. Tom Machann and family spent Sunday with relatives in Caldwell.

* * *

The Buckholts parent teachers association sponsored a social which took the form of a tea on Friday evening, September 6, on the lawn of Buckholts high school. A number of patrons responded to the invitation to "Come get acquainted and have a good time."

The first half hour was given to welcoming and greeting the teachers and guests. In the receiving line were the PTA officers: Mrs. Cecil Criswell; Vice President Mrs. John Meyer; Secretary and Treasurer Mrs. Leo Fuchs and former President Mrs. Robert P. Lehmann; teachers Superintendent Hugo F. Horstmann Frank Mitchell of Kosse Dwight Hine of Val Verde, J. A Hedrick of Howe, Leon Brady of Wier, who will teach at Corinth, Mrs. Coy Arledge of Cameron, Miss Azile Dodson, Mrs. Doris Gleason and Mrs. W. P. Elliott.

Refreshments of punch, sandwiches, cookies and mints were served by beautiful girls. Mrs. Arnet Zelisko gave several piano selections and a number of other numbers were rendered.

D. H. Sanford, Recalls Early Days in Milam County; Is Native

D. H. Sanford of Rockdale, one of the old native citizens of Milam County, was a visitor to Cameron last week. He is unusually well preserved for his age and was in a reminiscent mood while discussing old times in Milam County.

Just after the Civil War and, while a small boy, the family were residents of Bryant Station, now one of the "Ghost Towns" of Texas, marked by a suitable stone. His uncle, the late General H. P. Hale, and grand father of Mrs. J. L. Adams of Cameron, was a merchant in Bryant Station at that time and the late E. M. Scarborough was clerking for him. In later years Mr. Scarborough was founder of the firm of Scarborough and Hicks of Rockdale and E. M. Scarborough and Sons of Austin.

Mr. Sanford remembers vividly a story that occured at Bryant Station in 1867 or 1898. Some buildings were demolished and a great loss was had in the store. He recalls that pocket knives were blown seven miles from the store building, and that in the house in which the family resided, a slow rain was falling and his father thought the roof was leaking, when an investigation showed that it was entirely blown off.

Bryant Station was an Indian Agency of the Republic of Texas and Major Benjamin Bryant was the Agent, appointed by President Sam Houston. The remains of Major Bryant and his wife have been removed to the State Cemetery at Austin at which ceremonies were held in the State Captial, former Governor Pat Neff being the orator of the occasion.

There was formerly a Masonic Lodge in Bryant Station and a Company of Confederate soldiers were organized there but now there is not a building to tell the story.

There is another true story connected with the old town, as related by the late E. M. Scarborough to a friend. It seems that there had been trouble and, as it was in reconstruction days, the Captain of the Union soldiers, located in Cameron, made a visit there to investigate. He wore a Masonic button and Mr. Scarborough and the late F. M. Blankenship, being Masons, took him aside and told him that he had better return to Cameron at once as his life was in danger. Later his saddle was found in Elm Creek bottom and his death was never accounted for.

M. E. Collier accompanied by his grandson, Gene Roach and Mrs. Wallace Roach spent Thursday night in the home of Mrs. Guy T. Newton. Mr. Collier is a former resident of Milam County.

Patricia Batte visited Frances Stocklas of Rosebud Sunday afternoon.

Mr. and Mrs. Dave Kestenbaum visited in Temple and Rosebud Sunday.

TWO THOUSAND COPIES

Two thousand copies of the Daily Herald—double the daily circulation—will be printed each Thursday.

These extra copies take care of demands from merchants now finding the Daily Midget the best spot advertising medium in the history of Cameron.

The Publishers limit the circulation to 1000 copies a day on all other publication dates.

Copy for the extra circulation edition should be in the Herald plant not later than Wednesday.

WPA SEWING ROOM STILL IN OPERATION

The Milam county commissioners court voted last week to appropriate $50 per month from the county along with $50 given by the city of Cameron to continue the operation of the WPA sewing room in Cameron.

Salaries will continue to be paid by the WPA but will only buy 60 per cent of the material used. The $100 put up by the city and county will provide for 40 per cent of the materials.

THE WAR TODAY

British fighter planes threw back an Armada of three hundred Nazi bombers over London.

The Italians have penetrated seventy-five miles into Egypt without resistence.

Adolf Hitler is restoring Catholic churches in Spain together with works of of art lost to the church during the revolution.

British air losses today have been 600 planes while Germany has lost 1800. The Germans have lost 4000 flyers while the British losses were placed at 600.

Ribbentrop, the German foreign minister, left Berlin today for Rome, Important developments in the war are expected. Spain is expected to come into the war to assist Germany and Italy.

Faubion Bridge Is Approved Thursday

The Milam County Commissioners Court, after an inspection trip Thursday, accepted the Faubion bridge just completed over Little River near Gause by the Austin Bridge Company. The WPA labor will floor the bridge and build the approaches. They will also complete the road leading to the structure.

The bridge replaces the old structure which collapsed about two years ago.

Oklahoma—'89 . . . it was LAND that they were after!

The drama of Oklahoma, '89 . . . it stands even today as a symbol of man's eternal hunger for the land. While those thousands stood at the line, waiting for the barrier to be lifted—for Congress had decreed Oklahoma open to settlers—there was but one thought in the minds of all: LAND—a place on which to live; soil for crops; LAND—to own. Not soft men and women, these "Sooners" . . . they got what they wanted.

LAND IS WEALTH

The land rush of '89 did not see the quenching of man's thirst for land—the spirit of the pioneers is not dead. Men of foresight today are aware of the security of land investment. Experience the adventure of land ownership yourself!

THE STATE OF TEXAS

To Emma Gidley, Dora Gidley, Dotty Gidley, Goldie Gidley, Ira Gidley, Garland Gidley and Bun Gidley:

You are hereby commanded to be and appear at the next regular term of the twentieth district court of Milam County, Texas, to be held at the court house thereof in the City of Cameron on the second Monday in November, A. D. 1940, same being the eleventh day of November, 1940, then and there to answer a petition in a delinquent tax suit filed by the State of Texas in said court on the 13th day of September, 1940, in suit No. 1283 on docket of said court, wherein the State of Texas is Plaintiff, and Emma Gidley, Dora Gidley, Dotty Gidley, Goldie Gidley, Ira Gidley, Garland Gidley and Bun Gidley are Defendants. Said suit is a suit to collect taxes on the following described real property, to-wit: 16 3-13 acres of land out of the B. R. Thompson survey in Milam County, Texas, being lot No. 12 in the partition of the Zeph Luce Estate, being the same land conveyed by Allen Varner as Executor of the will of Zeph Luce, deceased, to Emma Gidley and others et al, by partition deed, dated 1-28-18, of records in Volume 145, page 620, of Deed Records of Milam County, Texas, to which deed reference is here made; for the years and in the amounts as follows:

Years Delinquents	To Whom Assessed	Amounts
1919	Lenora Gidley	$2.48
1922	Lenora Gidley	2.97
1925	Lenora Gidley	3.37
1927	Lenora Gidley	3.32
1938	Lenora Gidley	3.24
1929	Lenora Gidley	3.28
1930	Lenora Gidley	3.34
1931	Lenora Gidley	3.19
1932	Lenora Gidley	2.99
1933	Lenora Gidley	2.72
1934	Lenora Gidley	2.72
1935	Lenora Gidley	2.47
1936	Lenora Gidley	2.47
1938	Lenora Gidley	2.24
1939	Lenora Gidley	2.42

together with penalties, interest, costs and expenses which have accrued or which may legally accrue thereon. Plaintiff also seeks the establishment in foreclosures of the lien securing payment of such taxes provided by law. And each party of such suit shall take notice of and plead and answer to all claims and pleadings now on file or hereafter filed in said cause by all other parties thereto.

Herein fail not, but have ye before said court on the first day of the next term thereof this writ with the return thereon showing how that you have executed the same.

Witness my hand and seal of said court at my office at Cameron, Texas, this the 16th day of September, A. D. 1940.

(Seal) PENN WOLF,
Clerk of District Court Milam County, Texas. 2tc

THE WAR AT A GLANCE

British anti-aircraft defenses shatter another big scale raid on London. Secret of British defense still unexplained.

Momentary attempt at invasion of England is expected. Hitler masses troops across channel amid savage blasting by British air forces and navy.

Italian and British armies have clashed on the border of Egypt indicating a major campaign in Africa.

Italy prepares for invasion of Greece as British warships arrive in Greek waters.

Soviet Russia notified Germany today that she looks with great disfavor upon the partition of the Balkans in the recent conference to which the Reds were not invited.

Japanese war ships are operating off the coast of Ido China and invasion is momentarily expected. United States warns Japan not to enter Indo China.

Buckingham Palace was bombed again today and heavily damaged. The King and Queen were in cellars beneath the imposing structure and escaped injury but three members of the household staff were injured.

Fires are still raging in Berlin as British flyers continued to bomb the German capital. The Germans say that great damage has been done.

Mrs. J. D. Lewis and daughter, Dorothy Jean, visited here Friday night. They are residents of Buckholts.

Mr. and Mrs. Howard Whatley and son Gregg, of Fort Worth, spent the week end here, returning to Fort Worth Monday where Mr. Whatley is in school at the Baptist Theological Seminary.

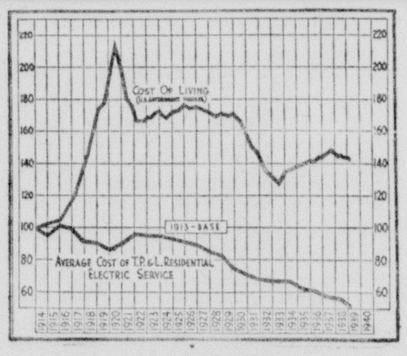
the SMALLEST ITEM
...the Biggest Value!



The "Smallest Item of the Average Family Budget" brings the biggest value in comforts and conveniences. Better lighting, refrigeration, cooking, cleaning and home laundry service, home entertainment (through radio), and better health . . . are but a few of the big values represented in the TP&L electric service bill. Better Living is made more secure by TP&L low-cost service.

Rate reductions made repeatedly by TP&L during the past two decades have contributed immeasurably to Better Living in Texas; and have almost doubled the buying power of the "electrical dollar" spent by the average family

"ON THE SQUARE" "ONE PRICE—SPOT CASH" CAMERON, TEXAS

WOMANS SOCIETY

(Continued from page one)

Methodist Church. The General Conference of that year, in session at Atlanta, Ga., authorized the organization of the Womans Missionary Society, and on May 23rd 1878 the first meeting of the Society was held in the First Methodist Church of Atlanta.

The Womans Missionary Society of the Texas Conference was organized in the town of Flatonia on Dec. 11th, 1880. In 1878 the first Foreign Missionary Society was organized at Fairfield by Mrs. Sally Philpott.

In 1919 Mrs. C. D. Lay of Cameron became District Secretary and served until the second quarter of 1922. At the close of the second quarter of 1923 Mrs. W. O. Triggs was appointed Secretary and served the District twelve years. Mrs. R. L. Batte succeeded Mrs. Triggs as District Secretary and still holds that office. Marlin District has contributed much to the Womans Work of the Texas Conference. Until her death in March, 1928 Mrs. Philpott was Honorary President of the Conference.

In 1891 with Mrs. Clara Dawson, sister of Mrs. R. H. McIntosh, as President, the first Foreign Missionary Society was established. The roster of this Society contained the names of Miss Mollie Moore, Mesdames Patsy Ragsdale, Fannie Porter and Fanny Peeler and others of sainted memory. Of these members Miss Mollie Moore is still a faithful worker.

In 1903 the Womans Home Missionary Society was organized in Cameron by the pastor, Dr. J. L. Massey. Mrs. R. H. McIntosh was elected President and following Mrs. McIntosh, Mrs. Jeff Kemp was chosen President. Mrs. H. F. Smith served several years as President and represented the Society at Conference meetings. Mrs. W. W. Greer served two years as President. Mrs. W. H. Triggs as President was untiring in her zeal and devotion, and during her administration the parsonage was built. In 1917 Mrs. Law was elected President, due to her efforts Cameron won a place on the Honor Roll of the Conference. Mrs. Sue Baskin served two years as President and during this period the Cameron Society undertook the support of Miss Carrie Turner, a Missinary Nurse to Korea. Mrs. Leland Green, as President served two years. Our Gift to Helen Marr Kirby Dormitory was a feature of that year's work. During 1925 Mesdames Chas. Price and Robt Terry ably filled the Presidents chair. In 1936 Mrs. Howard Baskin was chosen President, and during this time, our quota on the Belle Bennett Memorial was completed. Mrs. R. L. Batte was chosen President in 1927. Mrs. Henry Davis was elected in 1928, and the Missionary Work has gone forward since that time under the leadership of many other capable women. For the past several years the Cameron Society has supported Miss Pearl Weimers, a Missinary Nurse in China.

In 1919 Mrs. J. W. Mills of Tyler, was elected President of the Conference of the Womans Society and has served most efficiently. She is now Vice President of the Womans Division of Christian Service which covers all Methodism in the United State, with headquarters in New York City. Mrs. Mills will preside over the meeting in Cameron.

A Gentle Laxative Good For Children

Most any child who takes this tasty laxative once will welcome it the next time he's constipated and it has him headachy, cross, listless, with bad breath, coated tongue or little appetite.

Syrup of Black-Draught is a tasty liquid companion to the famous BLACK-DRAUGHT. The principal ingredient is the same in both products; helps impart tone to lazy bowel muscles.

The Syrup's flavor appeals to most children, and, given by the simple directions, its action is usually *gentle*, but thorough. Remember Syrup of Black-Draught next time. Two sizes: 50c and 25c.

Aerodynamic Styling for 1941 Buick

WITH THE announcement of its 1941 cars, the Buick division of General Motors introduces an entirely new line of aerodynamic bodies taking full advantage of modern principles of streamlining. Shown above is the series 40 Special six-passenger sedan with unbroken lines flowing from the windshield to the rear bumper in a contour similar to that of the wing section of the larger airliners.

Despite an increase in power and performance, the new line of cars shows a vast step-up in economy, due to the newly developed "Fireball" engine and compound carburetion, an exclusive Buick feature. Using two dual carburetors, Buick's Fireball engines develop 126 h.p. on the Super series and 165 h.p. on the Century, Roadmaster, and Limited series. On the Special series, horsepower has been increased from 107 to 115, with compound carburetion optional, bringing power to 125 h.p.

FOOT BALL

(Continued from page 1)

Calvert. A pass Middleton to Briggs was good for a first down. Two line plays failed to gain and Calvert kicked to Hays who ran it back 20 yards. Red Bell fumbled a pass-back from Salach but recovered, losing 5 yards. Bell made 3 yards and Tindall got 4 more as the quarter ended.

SECOND QUARTER

The Yoemen started the touchdown drive that made it 12 to 0 as Tindall went over after a suatained drive to the Calvert goal. Salach who got two extra points out of 5 tries, booted the ball through the goal posts. The Yoemen were peppy as they raced to positions for the third kick off of the game. Calvert was helpless for the remainder of the quarter as the Yoemen forward's pounded the line. Graham replacing Kunz at left end broke through and blocked a Calvert punt and the Yoemen took over. Bobby Hays received from center and sparked another touchdown drive as he ripped off 27 yards with perfect interference down the field. The play was made through tackle. It was the third score as Hays scampered across the coveted line. Salach failed to make the extra point. Cobb went in for Nicholson at left half back and on the first play made a sensational 24 yard run around end. Hays made 7 yards through the center of the line as the half ended. Score: Yoemen 19; Calvert 0.

THIRD QUARTER

As the Calvert band marched off the field the teams raced into possition. It was an ideal night, crisp and not much time out. The Yoemen line would not yield although Calvert put every ounce of energy into the drive. The Yoemen took to the air for the first time. A pass from Hays to Tindall was good for 15 yards, but the Yoemen had to kick a few moments later. Calvert desperate, took to the air but got one intercepted by Mack Nicholson who ran the ball down to the 15 yard line. Middleton's passes were wide. Nicholson was brought down from behind as he raced toward the Goal. Line bucks were held to a minimum. On the fourth down Hays took a pass from center and went over Calvert's right tackle for the fourth touchdown of the game. Yoemen kicked off to Calvert. The visitors were unable to gain. Sweet playing a jam up game at tackle broke through and blocked a punt on the Calvert 39 yard line. Two line bucks failed to gain appreciably and Hays took the ball on the third down and raced around the Calvert right end for another touchdown as the quater ended. Score: Yoemen 25; Calvert 0.

FOURTH QUARTER

Bobby Hays was replaced by Torno, the little sophomore who was a standout in the tailback position. Tindall drove for 7 yards off tackle. A moment later Tindall scored the fifth touchdown of the game. Salach found his toe, hit the cross bar and sent the ball hurtling through for the extra point. The score was Yoemen 32; Calvert 0. The Yoemen kicked off to Calvert. Salach's toe was good for driving down the field as he placed the ball in play. Calvert could not gain on two line bucks and kicked. Torno returned 15 yards. The Calvert line was air tight and the Yoemen had to kick. Middleton to Briggs, a pass combination growing out of relays behind the line to cover up the ball, never seemed to work. On fourth down the Yoemen took over and the teams were in Yoemen territory as the game ended. Final score: Cameron 32; Calvert 0.

Football Special Tickets On Sale

Tickets for the football special to McGregor have been placed on sale at the following places: The Cameron Herald, Cato's Coffee shop, Blue Bonnet Cafe, Milam Hotel, Palace of Sweets, Dusek Pharmacy and the New Cameron Drug.

It is is important that early sale of these tickets be made to that the Athletic Council may know what to expect because a specified number must be sold or the train will not be run.

The tickets sell for 85c round trip. The train will leave Cameron at 6:10 p. m. and arrive at McGregor at 7:30 p. m.

DRAFT BOARD NAMED

Six Milam County citizens have been asked to serve on the Selective Service Board, the Daily Herald learned Wednesday.

The men are required to serve without pay and if all accept, their names will be announced shortly.

PIANO STUDIO

I have opened a piano studio in the gymnasium building of Yoe High School.
